JOHN A. JACKSON, CHIEF OF POLICE

## \*\*\*\*\*MEDIA RELEASE\*\*\*\*\* 10.15.09

The Alamosa Police Department is investigating a series of residential burglaries, day and night, where the suspects have become very forward in their actions. I can not stress enough the importance of securing both your home and your vehicles.

One of the common links in all of these incidents is that the suspects gained entry to the home without having to force entry. The doors were either left unlocked, or a garage door opener was used. It is imperative that you lock the doors of your home when you are both away for the day and when you go to sleep at night. We believe that the suspects are working in pairs, have watched the property, and will approach, and leave, the area on foot.

Rest assured that the Alamosa Police Department is working diligently to solve this series of criminal incidents. We are encouraging citizens to report any/all suspicious activity that they observe in their neighborhoods.

You can remain anonymous with any suspect information by calling the Crimestoppers telephone line at 719-589-4111. A cash reward will be offered for information leading to the arrest of the suspects who are involved in these cases.

Details of other crime prevention “tips” can be found on the City of Alamosa web page of, [www.cityofalamosa.org](http://www.cityofalamosa.org).

Sincerely;

Chief John A. Jackson
